The Bridal by Bellissima buy-in program will include this elegant, finely crafted in-showcase display set, along with Bridal by Bellissima items.

Here are some key features that make this display essential:

The base and sophisticated, curved props are made of modern, elegant white leatherette with royal blue trim and a patented non-slip material called Ice Grip. This material holds jewelry in place without hooks, clips or straps and allows for fast and efficient set up and take down.

Stylish LED lights at the two corners accentuate the items displayed.

For every item purchased, a beautiful matching gift box and bag will be included.

There is no minimum to re-order Bridal by Bellissima products.
